Coal Prep Introduces the EHS Safety Pavilion

An exciting new addition to the Coal Prep exhibit floor has been added! The **EHS Safety Pavilion** will showcase the latest and greatest in safety products offered today.

It's no secret that mining and preparation plants offer a hazardous work environment. Safety is a top of the mind daily concern for those that are working in this field. Improving safety is critical. Coal Prep attendees will be seeking new methods to improve safety, and they will be able to easily identify the **EHS Safety Pavilion** as their source for answers.

By exhibiting in the new **EHS Safety Pavilion**, you will reach key industry decision makers in companies who are searching for a solution to continue to improve safety within their workplace.

Price: \$19.25 per square foot.
